

Celebrating Joel Horowitz's Contributions to Econometrics

May 9–10, 2025

Department of Economics, Northwestern University

Kellogg Global Hub, Room 1410

Conference Organizers

Ivan Canay & Federico Bugni, Northwestern University

Conference Sponsors

NBER & The Center for Econometrics

Friday, May 9

8:15 - 8:50 Breakfast and Reception

8:50 - 9:00 *Opening Remarks with Ivan Canay*

9:00 - 10:00 *Matthias Parey, University of Surrey*

Demand Estimation with Price-Quantity Choices (with Richard Blundell and Joel Horowitz)

10:00 - 10:15 Coffee Break

10:15 - 11:15 *Whitney Newey, Massachusetts Institute of Technology*

Welfare Analysis in Dynamic Models (with Victor Chernozhukov and Vira Semenova)

11:15 - 11:30 Coffee Break

11:30 - 12:30 *Axel Werwatz, Technische Universität Berlin*

Estimating Urban Land Values (with Rainer Schulz and Martin Wersing)

12:30 - 1:30 Lunch Break

1:30 - 2:30 *Deborah Kim, University of Warwick*

Testing Conditional Stochastic Dominance at Target Points (with Federico Bugni and Ivan Canay)

2:30 - 2:45 Coffee Break

2:45 - 3:45 *Jian Huang, The Hong Kong Polytechnic University*

Continuous Normalizing Flow for Learning Probability Distributions (with Yuan Gao, Yuling Jiao, and Shurong Zheng)

3:45 - 4:00 Coffee Break

4:00 - 5:00 *Francesca Molinari, Cornell University*

Inference for an Algorithmic Fairness-Accuracy Frontier (with Yiqi Liu)

6:00 PM – Dinner, Koi Fine Asian Cuisine & Lounge

Saturday, May 10

8:30 - 9:00 Breakfast and Reception

9:00 - 10:00 *Yoosoon Chang, Indiana University*

A Trajectories-Based Approach to Measuring Intergenerational Mobility (with Joon Park, Steven Durlauf, and Seunghee Lee)

10:00 - 10:15 Coffee Break

10:15 - 11:15 *Isaac Loh, University of North Carolina Wilmington*

An Adversarial Approach to Identification (with Irene Botosaru and Chris Muris)

11:15 - 11:30 Coffee Break

11:30 - 12:30 *Simon Lee, Columbia University*

Binary Classification with the Maximum Score Model by Linear Programming (with Joel Horowitz)

12:30 - 12:40 Closing Remarks with *Federico Bugni*

12:40 - 1:30 Lunch Break and Conference Concludes
