CURRICULUM VITAE

Joel L. Horowitz

EDUCATION

1967 Ph.D. (Physics) Cornell University, Ithaca, New York
1962 B.S. (Physics) Stanford University, Stanford, California

EMPLOYMENT

2001-present Charles E. and Emma H. Morrison Professor of Economics, Northwestern University
1987-2001 Professor, Department of Economics, University of Iowa. From 1997, Henry B. Tippie Research Professor of Economics
1982-1987 Associate professor, University of Iowa.
1971-1982 Senior Operations Research Analyst, U.S. Environmental Protection Agency.
1972-1982 Professorial Lecturer (part time), Department of Operations Research, The George Washington University.
1967-1971 Member of the Technical Staff, Research Analysis Corporation, McLean, VA.

VISITING APPOINTMENTS

Hong Kong University of Science and Technology, University of Bristol, University College London; Humboldt University, Berlin; Catholic University of Louvain; Tilburg University; Australian National University, Macquarie University, Massachusetts Institute of Technology, University of Technology Sydney, University of Montreal, UCLA.

OTHER PROFESSIONAL ACTIVITIES

International Fellow, Centre for Microdata Methods and Practice, University College, London, UK.

Fellow of Centre interuniversitaire de recherche en économie quantitative, University of Montreal, Canada.

Distinguished Guest Lecturer, Department of Economics, University of Pennsylvania, January 1996.

Co-Editor of *Econometrica* July 2000- July 2004

Co-Editor of: *Econometric Theory*, 1992-2000.

Associate Editor of: *Econometrica*, 1993-2000; *Review of Economics and Statistics*; 1996-2002; *Transportation Science*, 1988-1995; *Econometric Theory*, 1988-1992.

Member of: Economics Advisory Panel, National Science Foundation, 1994-1995; Editorial Advisory Board, *Transportation Research*, 1979-1997; Editorial Advisory Board, *Annals of the Association of American Geographers*, 1985-1988; National Research Council Committee on Roadway Congestion Pricing, Roadway Congestion Pricing, 1991-1994; National Research Council Committee on Data and Research for Policy on Illegal Drugs, 1998-2001; National Research Council Committee on Congestion Management and Air Quality, 1999-2001; National Research Council Committee to Improve Research Information and Data on Firearms, 2001-2004; National Research Council Committee on Measuring International Trade Traffic on U.S. Highways (Chairman), 2003-2005 Committee on National Statistics, National Research Council, 2000-2008; American Statistical Association Advisory Committee to the Energy Information Administration, 2011-present.

HONORS

Doctor Honoris Causa, Humboldt Universität zu Berlin
Fellow of the International Association for Applied Econometrics
Fellow of the Econometric Society
Fellow of the American Statistical Association
Elected member of the International Statistical Institute
Fellow of the International Association for Applied Econometrics
National Associate of the National Academies
Alexander von Humboldt Research Award for Senior U.S. Scientists, 1999.
Richard Stone Prize in Applied Econometrics, 1994.
Award for Professional Excellence in the Training of Economists, Department of Economics, 1991, 1999.

PROFESSIONAL SOCIETIES

The Econometric Society, American Economic Association, American Statistical Association, Transportation Research Board, American Association for the Advancement of Science, Institute of Mathematical Statistics, International Statistical Institute

PUBLICATIONS

Books

Semiparametric and Nonparametric Methods in Econometrics, Springer-Verlag, 2009.

Semiparametric Methods in Econometrics, Springer-Verlag, 1998.
