

## EconLab Opportunity for 2024-25: RA for Ramya Raghavan

**Title:** Research Assistant

**Openings:** One

### **Project Description:**

Department of Economics PhD student Ramya Raghavan is seeking an undergraduate research assistant to work on a project in empirical macroeconomics. The project focuses on examining the impact of supply disruptions on macroeconomic aggregates.

### **Position Description:**

The project is currently in the data collection and preliminary analysis phase. The research assistant will support the collection and analysis of macroeconomic data. Prior coding experience in Stata is preferred but not required.

### **Application Requirements:**

Interested applicants should email [ramya.raghavan@u.northwestern.edu](mailto:ramya.raghavan@u.northwestern.edu) with a copy of their (unofficial) transcript, resume, and a brief paragraph describing their interest in the position. For further information about the position, please contact Ramya directly.
