

## How do I declare my major in Economics?

1. Fill out a Declaration of Major form and have it signed by any of the Economics advisors. The advisors have the forms in their office. A list of our advisors and their walk-in office hours can be found at:  
<https://www.economics.northwestern.edu/undergraduate/student-services/advising-hours.html>  
 The department does not assign you an advisor, so you can go to any advisor at any time.
2. After the Declaration of Major form is signed by one of our advisors, bring the bottom blue copy to the Economics Undergraduate Office, 2211 Campus Drive, Room 3293 and take the top copy to the WCAS Undergraduate Studies and Advising Office, 1922 Sheridan Road.

A more detailed description of the requirements for an Economics major can be found online at:
